Summary of reasons for decision:

This computer image file is deemed to be objectionable under s3(2)(a) of the Films, Videos, and Publications Classification Act 1993 (FVPC Act) because it promotes and supports the exploitation of children for sexual purposes. It depicts a partially naked girl posed in a sexually exploitative manner. The purpose of the image is to arouse people with a sexual interest in girls, and it therefore encourages this sexual interest. This classification interferes with the right to freedom of expression as provided by the New Zealand Bill of Rights Act 1990. However, the classification is consistent with Parliament's intention that publications falling under s3(2) of the FVPC Act are deemed to be objectionable. This reflects the concern of a free and democratic society to protect children from exploitation and harm.
